15th Oct - 12th Dec

## Administration

**Lisa Potgieter**

Dean of Education

**Hayley Pearce**

Head of Junior School

**Brendon Donaldson**

Business Manager

**Nicola Moores**

Office Manager

## MESSAGE FROM THE DEAN

Dear Students, Parents and Friends of the College,

What an amazing few weeks of hard work and so much excitement it has been. We have welcomed many new students and families to the College and we have settled into our academic program. Students have written formal assessments and we are sending out our Interim reports this week. We wish our Year 10 students the best of luck with their OLNAs over the next 3 weeks.

Our Gingin bus route students who leave home early to catch the bus are enjoying their Breakfast Club. The Club is running smoothly with massive amounts of Coco Pops and Fruit Loops being the desired "Breakfast of Champions". The March Charge for Cancer has proved to be very successful and so much fun. We have been walking every morning from 8:10 am to 8:30 am, most of our students and a few parents brave our track every day for personal well-being and to make a public statement that we support people who are struggling with health issues. Our aim is to complete 50km during the month of March.

Mrs Godwich and Mrs Pearce have attended Personal Development Training Courses in Sydney and Adelaide in the last two weeks. They have returned full of brilliant and exciting ideas on how to accelerate and complement learning in the College. Mrs Godwich is creating beautiful sculptures with her classes and has organised for the College to attend the Cottesloe Sculptures by the Sea Exhibition with the Secondary students.

Parents, friends and students all gathered together and worked like busy little bees on Saturday 9 March. We planted, painted, swept, dug and ate the most delicious sausage sizzle from Saucy's mobile van. So much fun and laughter and rain in the air. Wonderful times. A big thank you to everyone who joined us and helped make our Primary area beautiful. Thank you to all the sponsors who patiently grew plants from cutting for the College. We would lastly like to thank the Gideon's who attended our Linked-In program and handed out Bibles to all the students on Friday .8th March

Our College is growing and we are looking forward to the rest of the year and all the activities planned. We have been blessed with so much happiness and success at our College, God is surely for us!

**Lisa Potgieter**

**Dean of Education**

# TERM 1

# TERM 1

**Miss Gregoriadis and her class building catapults. History, mathematics, design and technology all combined into one powerful machine that changed the course of warfare. The students have added their own creative ideas on how to enhance the mechanism of the catapult.**

**Year 10 students building models to aid their understanding of meiosis. Meiosis is the process of cell division that results in four daughter cells, each cell with half the number of chromosomes of the parent cell.**

# TERM 1

The Year 8 students making model replica's of cells during their science class last week.

# WEST COAST EAGLES

Members of the West Coast Eagles visited us on the 20th February. Students had the opportunity to meet the players, take photos and get autographs signed by the players!

# Scitech Incursion

On Tuesday 5th March, the secondary students had a visit from Scitech. The students learnt about STEM and the opportunities they will have in their futures to use STEM. Haylee and Miss Gregoriadis had a competition to see who could adapt to new technology faster. Haylee proved to be from the fastest technology generation and beat Miss Gregoriadis.

The students also got to explore AI with an online interactive called QuickDraw. Lastly students engaged with ethical dilemmas regarding self driving cars and the possibilities these could pose to society.

# Reminders & Notices

## Lunch Orders

## Busy Bee Saturday 9<sup>th</sup> March

We were blessed with a rainy day for a Busy Bee! Saturday 9<sup>th</sup> March panned out to be a day of digging, painting, potting and shed building. Parents, teachers, friends and students had so much fun working in the soft rain. The Primary area looks amazing. Due to the weather we were unfortunately not able to paint everything on Mrs Visser's list or oil the decks, but we will get to it all at a later date.

A special thank you to Saucys who kept us hydrated and well fed throughout the day. The students helped with enthusiasm and even ran a Crèche for the little ones. So much fun and laughter was heard everywhere.

The College would like to thank everyone who helped on Saturday. Your hard work and enthusiasm to make our College beautiful for our children is much appreciated.

Lisa Potgieter

*Thank you everyone for your support!*

# The School Writing Competition for 2019 is NOW OPEN!

Calling all Australian school students... prep to grade 12...

Write a poem or short story for your chance to win \$1,000 cash (\$500 for you & \$500 for your school)! As well as one of the AWESOME prizes below.

All it takes is a burst of inspiration, a dash of creativity and a little bit of effort for great poems and stories to appear! We can't wait to read yours!

There is NO theme

You can write about whatever your heart desires!

*\* Poems no longer than 16 lines. Stories no more than 500 words.*

*\* Entries must be in by Sunday 31st March 2019*

Stuck for ideas?

**Use one of these story starters**

See if any of these kick start your imagination!

1. Whoever made up the phrase 'Pigs can't fly' had never been to THIS farm...
2. It was a dream come true. I had finally invented...
3. I'd always wanted a superpower but never in a million years thought it would be this...
4. Being a dog is awesome. It's the best job in the world. Especially the part when...
5. I stared at the lotto ticket in shock. I had just won \$50 million dollars!!!

# Cancer Council

## The March Charge

Our College is supporting the March Charge!

During the month of March, we are striving to make a difference in our personal health and well-being and benefit the community.

**We are allowing all staff and students to wear their Physical Education uniform every day for the entire month of March.**

**Runners/walkers gather in front of the office at 8:10 am every morning and walk/run the allocated track with Mr Campbell and supporters to 8:30 am.**

**Parents and siblings of students are welcome to participate in our walk/run!**

**Students will be under strict supervision by staff at all times**

*One third of cancers can be prevented by following a healthy lifestyle, being physically active every day, enjoying a healthy diet and maintaining a healthy body weight. Every year in Australia around 37,000 cancer cases could be avoided by prevention alone.*

*We're taking a head on approach to beating cancer and for the whole month of March we're telling cancer where to go. By taking part, you'll be reducing your cancer risk, promoting physical activity and helping raise vital funds for cancer research, prevention, advocacy and support.*

Come and see the  
**WA POLICE  
FORCE**  
on show!

**FREE  
EVENT**

# WA POLICE FORCE EXPO
