## Newsletter 2 Term 2—MESSAGE FROM THE DEAN

Dear Parents and Friends of the College

### **STUBBORN AS A MULE**

Some time ago, an old mule fell into an abandoned well which was no longer in use. The farmer who owned him tried and tried to pull the mule up out of the well - however after many attempts he realized he was not going to be able to rescue his mule. So the farmer decided to solve two problems simultaneously - by burying the mule in the well. Tragic as it was, he would, bury the mule alive, and in the process, prevent future accidents of this kind by filling up the well hole.

Taking a shovel, the man began to toss shovels full of dirt on the animal to bury him. However, following every toss of soil, the stubborn mule simply shook the dirt clean off his back. This caused the floor beneath him to steadily rise. The relentless farmer continued to shovel, while the stubborn mule persisted in shaking off the annoying dirt. This mutual perseverance eventually raised the mule up to ground level, where he could happily walk out of his impossible predicament...free at last.

We all have, somehow or other, fallen into a hole a time or two. Some of us give up after a few attempts to escape, resigning to a state of imprisonment in our predicament - but this is not God's intent for our lives. His will is for us to persevere - become stubborn like a mule - fight, kick, and continually toss the dirt off our backs - until we get out of the hole!

Life for many of us can be a series of trials, or just one or two seemingly endless ones, but perseverance is an essential quality of true disciples -- and as we press in, press through, and press on, deliverance will finally come, often in the most unexpected way. The floor will rise each and every time we shake off the dirt. So take a lesson from a stubborn mule and a relentless farmer. Be tenacious! Don't let the trials of this life get the better of you - because success is in your spiritual DNA, a sure inheritance from your Saviour Jesus!

**James 5:11 Indeed we count them blessed who endure. You have heard of the perseverance of Job and seen the end intended by the Lord--that the Lord is very compassionate and merciful.**

# MOTHER'S DAY

Perhaps the love that closely matches the love that God feels for us, is the love our mothers give us every day. Mothers love us with all their strength. They desire the best for us and are able to make great sacrifices without expecting anything in return. We would like to thank all the Mums who were able to join us at our Mother's Day celebration and pray a special blessing over them for strength and endurance.

# MOTHER'S DAY

EARLY LEARNING CENTRE

On Mother's day we salute our mothers who sacrifice for us and love us unconditionally.

# P&F MOTHER'S DAY SALES

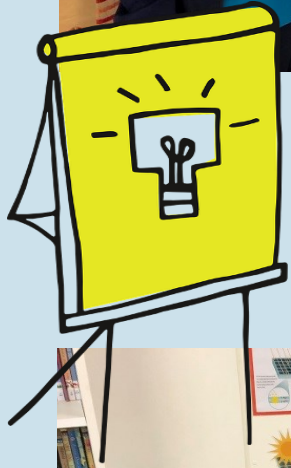

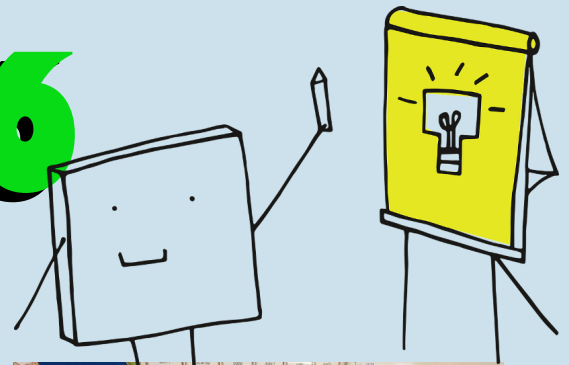

Thank you to everyone who worked hard to make our P&F Mother's Day sale a huge success.

# In class with YEAR 4,5&6

"May the fourth be with you"...on the third!

# Careers Expo

Vet Expo 2019 – Thursday 16 May

The ABBC Secondary students visited the Careers Expo 2019 at the Perth Convention Centre. The students were offered a smorgasbord of options to consider for their future. The day was enjoyed by all, a special thank you to the teachers and parents who accompanied the students. Many of the exhibit holders commented on our students' polite and pleasant behaviour while asking questions and collecting information brochures.

# Partnership to build and bless

Atlantis Beach Baptist Church, in collaboration with Atlantis Beach Baptist College, hosted a women's morning tea on Saturday 11th May. The event presented an opportunity to promote the college and also thank the families and friends of the school for their ongoing support. Furthermore, it helped to establish a stronger bond in the community through networking. The partnership with the church will form a strong foundation to build and bless others in the community.

## CONNECT, NETWORK AND FELLOWSHIP

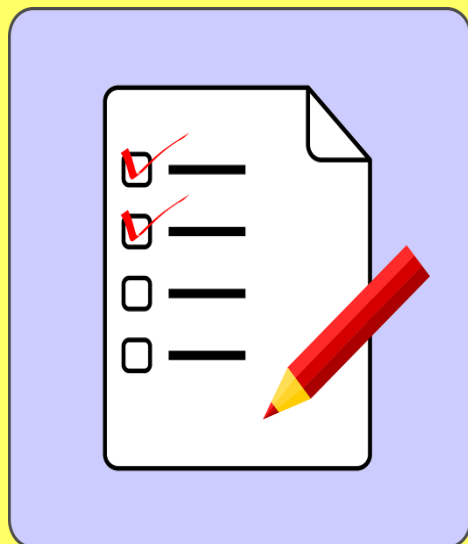

## WHO ARE WE?

- We meet fortnightly on a **Sunday at 9:30am** at Atlantis Beach Baptist College. Our next gathering is **2nd June 2019**.
- Our missional objective is to share the love of Christ with others.
- Our focus is to serve the Two Rocks community and surrounds.
- We are not perfect, and recognise that we all need forgiveness and a fresh start.
- We celebrate God's goodness and grace in all seasons and circumstances of life.
- We are committed to helping people find purpose and peace no matter their background.
- We are created for community. This is the place where you will find connection, belonging and fellowship.

**We look forward to welcoming you at our worship service.**

Recycle With Mondo is a fun, simple and educational fundraising program presented by SCRgroup. This program supports Australian pre-schools, schools and clubs to raise thousands of dollars each year while diverting reusable items from landfill and providing global communities with affordable clothing and employment.

Since 2015, the program has reached over 40,000 students, saved almost 150,000 kilograms from landfill and raised over \$25,000 for participating schools. It's easy to organise, promotes sustainable behaviour for our future generations and raises much needed awareness on our throw-away fast-fashion lifestyle. Students are provided with collection and sustainability reports that demonstrates the positive impact they have on the environment when they reuse and recycle. It also equips students with important skills to make better decisions with their unwanted clothing and household items.

#### **How it works:**

1. Book your site assessment to host a Mondo Clothing Hub at your school.
2. Receive your FREE Recycle with Mondo Education Kit including promotional flyers and posters.
3. Distribute your promotional flyers to your school community.
4. Your Mondo Clothing Hub will be serviced as needed.
5. Your school receives \$0.10 cents per kilogram for the items collected.
6. At the end of every term, you'll be emailed a School Ladder, which shows how your school is tracking alongside other schools around Australia. The top 5 performing schools at the end of the year will each receive a **bonus \$1,000** to go towards their fundraising!

#### **What can be collected?**

All clean, wearable clothing, shoes, hats, handbags, belts, accessories, toys, towels, sheets, pillowcases and doona covers.

#### **What can't be collected?**

Wet, dirty, torn items, doonas, pillows, books, DVDs, CDs and household items.

#### **What happens to the clothes?**

Clothing is collected and sorted for reuse and recycling. They are distributed in Australia and globally to maximise their reuse and recycling potential, providing employment, affordable clothing and improving livelihoods in developing countries.

#### **Why reuse and recycle?**

- Divert from landfill.
- Natural fibres like wool and cotton will decompose and create methane, a greenhouse gas which causes climate change.
- Saves resources such as cotton and wool as well as oil which is used to make synthetic clothing such as nylon and polyester.

Be a top 5 school and win a bonus \$1,000!
