MESSAGE FROM THE PRINCIPAL

Dear College Families and Friends

You may have read this before, but I truly love this speech and I think it very appropriate after our end of term examinations. Steve Jobs, one of the key figures behind tech giant Apple's success, delivered one of the best motivational speeches of all time.

In his 2005 Stanford commencement speech the former Apple CEO dove deep into his own journey as an entrepreneur, and he spoke openly about the issues that he faced along the way, and how he overcame them. During this classic motivational speech Jobs talked about how he was actually a college dropout, and that this was one of the most important times of his life. Why?

He mentioned that he dropped out of college to take classes which he was truly interested in, rather than studying topics which he wasn't deeply passionate about. One of those classes that he took up after dropping out was calligraphy. He was so compelled by the high standard of handwriting. To many, this might seem like a strange choice, but he connects his experience that he gained from that class to the font choices that he installed in Apple computers. If Jobs had never taken that calligraphy class, he wouldn't have cared so much about a seemingly small detail like fonts, but Apple was the first company to add different typefaces to their operating systems. He went on to say, "You can't connect the dots if you're looking forward, you can only do it looking backwards. So, you need to keep moving forward and hope that the dots align somehow."

The key message from this famous motivational speech is that we're always learning. We're always growing and finding out new information. It's all about what we choose to do with that information which really defines us. As Jobs said: "Your time is limited, so don't waste it living someone else's life."

I am very impressed and pleased with the progress most children have shown and with the commendable grades our students have received on their academic reports. This was a nerve-wracking experience for the Year 7 students, but they made us proud.

We have seen many new enrolments to the College this term. We welcome the new students and wish them a happy and prosperous future here with us at ABBC. I would like to thank the staff for their dedication to academic excellence during the term.

I wish our community, teachers, families and students a well-deserved and restful and holiday.

Lisa Potgieter

Acting Principal

WELL DONE!

Look at all our Award Winners!

A big congratulations to all our 50m, 75m and 100m award winners, runner-ups, overall primary and secondary points champions for the 2019 Atlantis Beach Athletics Carnival. Well done to house Tarin who took out the house championship this year with an astounding 378 points. It was such a fantastic day and everyone did exceptionally well. A big thankyou again to our fantastic P & F community, parent volunteers and staff who made the day extremely fun run very smoothly. We already looking forward to next year's carnival and seeing the competition and camaraderie between students. Again well done to our 2019 Atlantis Beach Baptist College Athletics Carnival award winners. Students who received academic merit awards were also congratulated.

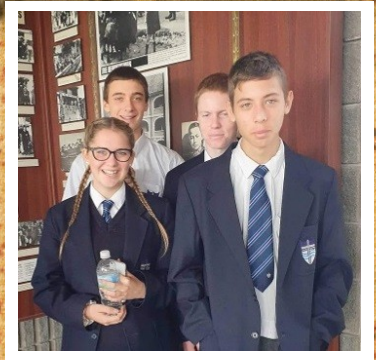

Congratulations!

Excursion

Year 10 Travel Back In Time

On June 13, the Year 10 students visited the Holocaust Institute in Noranda. Our tour guide, Geoff shared the story of the holocaust. It was a thought provoking excursion that left us feeling bewildered about the cruelty of man and how through this tragedy the Jewish people still persevere. Some students were astonished to find out how many people died in the holocaust.

"I think what happened is devastating." - Liam

"The information has helped us in our exams." - Trinity

"It was upsetting to see what happened." - Will
"The information made me sad, angry and disturbed." - JV

"The photos were disturbing." - Clancy

Creative Exercises are Fun!

Above: A year one student, Ava shows off her colourful creations. Left and below: Year 5 & 6 students designed and created their own musical instruments in Technology. They had to explain and demonstrate their creations to the class.

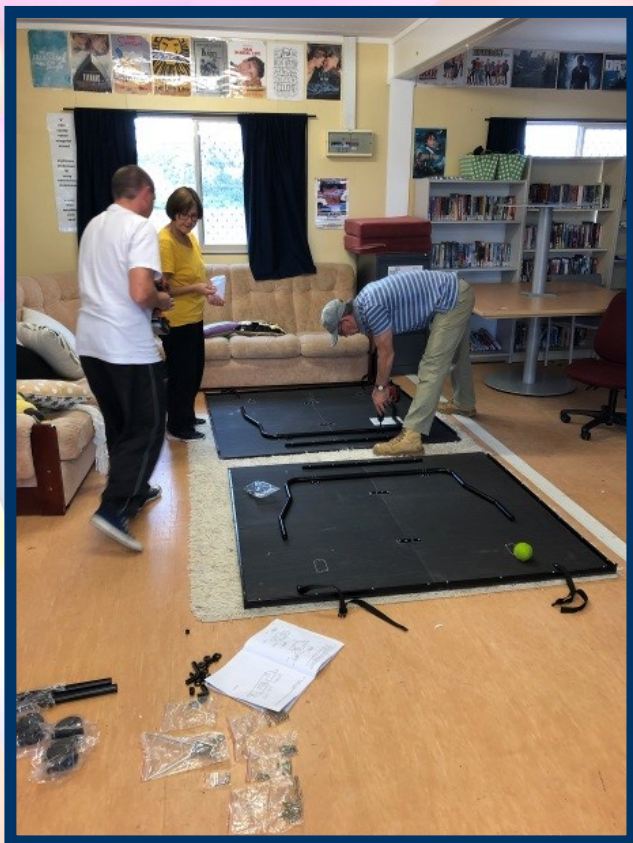

Another Successful Sausage Sizzle

A big thank you to our P & F and staff for their hard work and dedication at the Bunnings Sausage Sizzle fundraiser. Especially the P&F members who organised this event. Thank you for those that came out in the cold to support us, it warmed our hearts to see familiar and many new faces. Overall a successful day. Come cold and rain... our team shined!

Let The Games Begin!

Our amazing P&F surprised and delighted our students with Table tennis and Air Hockey tables to keep the children entertained through the cold and rainy days. Thank you to all who made it possible!

The students were eager to participate in these activities and develop their gaming skills.

Want to join the Sydney/Canberra Tour?

The College is doing research and planning a 4/5 day Sydney/Canberra Tour for Year 7 to Year 10 students in April/May 2020. The proposed dates so far is from the 6th April 2020 to the 10th April 2020. The Federal Government Pacer Program Grant per student has been increased to \$350 per students to encourage all schools to visit the Nation's Capital. The idea is to provide all students the opportunity to learn about national democratic, historical and cultural institutions. This tour fits in with the HASS/ART curriculum.

ABBC have expressed interest in booking three/four days in Canberra and one/two days in Sydney. April travel dates are out of season and therefor the tour will be much cheaper during this time travelling from WA.

NOTICES & REMINDERS

OPEN HOME, OPEN HEART?

ATLANTIS BEACH BAPTIST COLLEGE IS WELCOMING JAPANESE HIGH SCHOOL STUDENTS IN TERM 3 (FROM WEEK 29TH JULY ONWARDS FOR 2 WEEKS) AND WE ARE INVITING FAMILIES FROM THE SCHOOL COMMUNITY TO HELP HOST A STUDENT!

Hosting is as simple as involving the student in your daily routines such as walking the dog, kicking a ball in the park, enjoying a BBQ, and even helping out with chores! These simple things we enjoy are often the highlights of their trip. Your child will be matched with a Japanese student of the same gender and they will attend school together.

You will also receive a host payment of **\$280/week** to assist with costs of providing meals and board.

Gold Intercultural Learning has been arranging student exchange programs since 2004 and will provide 24/7 bilingual support and a visit from a GIL team member to answer all your questions in person.

If you are interested in hosting a student, please complete and hand the form to Gold Intercultural Learning, whose details are below.
