MESSAGE FROM THE PRINCIPAL

Dear College Families and Friends

Thank you for all your loyalty, support and hard work helping the College make our Open Day and Fete a wonderful day filled with festivities and laughter. We danced and laughed in the rain. So much fun and much community spirit is a blessing. I love being part of the growth here in Two Rocks and this college. I am sharing one of my absolute favourite poems which has often guided me and given me inspiration. I wish I could one day meet this poet to thank him for the lessons shared with us. I believe that "JUST ONE" can truly make a difference!

Just One

*One song can spark a moment,
One flower can wake the dream
One tree can start a forest,
One bird can herald spring.*

*One smile begins a friendship,
One handclasp lifts a soul.
One star can guide a ship at sea,
One word can frame the goal*

*One vote can change a nation,
One sunbeam lights a room
One candle wipes out darkness,
One laugh will conquer gloom.*

*One step must start each journey.
One word must start each prayer.
One hope will raise our spirits,
One touch can show you care.*

*One voice can speak with wisdom,
One heart can know what's true,
One life can make a difference,
You see, it's up to you!
- Poet unknown*

You can also make a positive difference in the world around you.

Lisa Potgieter
Acting Principal

FETE & OPEN DAY drawing a crowd

Thank you to our proud sponsors! They are Cuddles, Perm-a-Pleat, Precision Badges, Linthorne Automotives, Fotoworks, Jo and Luna Handcrafts, Everlasting Day Dream, Campion, Spartan, Bunnings and the Brooks, Webster and Hood families.

Great team effort and loads of fun!

Thank you to all staff, parents and friends who helped to make our Fete & Open Day such a great success!

Fete & Open day
2019

Stalls galore...

ABBC FETE

Thank you to our Fete sponsors!

We are grateful for your support

Piquing our students' curiosity

Water purification

Science week proved to be fun and practical. Students got the opportunity to research and test water purification techniques. They applied newly acquired knowledge and skills.

High school incursion with telescopes and virtual reality devices

Robin Cook, an astrophysicist from ICRAR visited the college. The students discussed what astrophysicists do and studied objects in the sky.

Science is
Curiosity—a
process of
investigating

Exciting projects that were part of

Students competed in a paper aeroplane competition.

One of the pre-service teachers, Jack, made a fire tornado.

ALWAYS QUESTION—ALWAYS WONDER

Volcano Fun

Benefits of Phonic Phones

Enables a child to intentionally listen and hear sounds coming directly from his/her own voice.

Directly hearing the sounds improves the ability to recognize and distinguish the sound structure of language. The Phonics phone improves sentence fluency in writing assignments

The Phonics phone funnels the child's voice directly into their ear eliminating outside distractions, the device improves attention and helps students focus on the task.

Learning is FUN

Who said learning can't be fun?

Learning our weekly spelling words with dice and colour is fun in Mrs Halliday's class.

YEAR 6

BOOK WEEK

READING IS FUN!

Another wonderful Book Week in our Primary School

Everyone was dressed so colourfully and many different characters were seen playing at recess. Congratulations to Sol Corrigan for your wonderful Dr Seuss creation! It was so hard to choose a winner as everyone made such an effort!

The theme for Book Week this year was *Reading is my Secret Power!* Students showed off their secret powers by dressing up as their favourite characters for our book parade. They also enjoyed a variety of reading activities throughout the week to promote a love for books.

OUR BOOK
WEEK WINNER!

BOOK WEEK
2019

TRASH OR TREASURE?

One person's trash can be another man's treasure. Students visited the Tamala Park Education Centre and discovered creative ways to recycle rubbish and turn it into beautiful art.

TAMALA PARK EXCURSION

Life lessons in the Library

Our primary school loves visiting our local community library. Students from Upper Primary read to our Kindy kids. During these sessions they get the opportunity to become good role models and recognise the power of caring for our younger students.

You can find magic
wherever you look.

Sit back and relax,
all you need is a
book.

--Dr. Seuss

ORIENTATION DAY
for all Pre-Kindy
students

LOOK WHO IS GOING TO KINDY!

Atlantis Beach Baptist College
is hosting an orientation day
for all Pre-Kindy students

When: 27 September 2019

9:00- 11:00

Where: ABBC Early Learning Centre

Morning tea provided for Mums and
Dads

Bookings essential- 089 544 3000

TERM 4 CLUB—RADIO CONTROLLED FUN

Dear Parents and Carers

We are planning to host an RC Club in Term 4 on Thursday afternoons. Students will play with their RC Cars/RC Drones/ RC Helicopter. The students are going to build an obstacle course to navigate and race with their cars. The RC vehicles need to be "Hobby Grade". Mr Phillip Kriwopischin has kindly offered to run this club in Term 4 and has asked that students and parents who are interested contact him for advice before they purchase a RC Hobby Toy.

The RC Club is open to all years who are interested in joining. Each student will race/fly their own personal RC Hobby Toy at their own risk. The students are very excited and are planning to build a big course at the back of the College.

We ask that you email an expression of interest in joining the RC Club to phillip.kriwopischin@abbc.wa.edu.au

NOTICES & REMINDERS

- Father's Day stall on 30 August. All gifts \$5
- OLNA
 - 2 September—Writing
 - 3 September—Numeracy
 - 4 September—Reading
- Astronomy Night on 13 September
- Youth evening event on Friday 20 September
- College Sunday on 22 September
- Year 10 Work Experience 23-27 September

wacky hair day

13 September 2019

Griffy is doing something incredible by donating his hair to Variety! Let's support him with his cause by donating a gold coin on Friday 13 September. We can come to school with a wacky hair do and watch Griffy have his hair cut off to be made into a wig for someone who has lost their hair due to a medical condition.

What to do: Free dress and wackiest hairstyle.

Donation: Gold coin (Going to Variety - the Children's Charity)

The SBS National Languages Competition 2019 is now open!

We're calling out to all students learning a language across Australia, to enter the SBS National Languages Competition that celebrates the love of learning languages. There are five major prizes up for grabs, plus extra chances to win with a weekly prize of an Apple Watch.

Entering the competition is easy:

Step 1: Go to sbs.com.au/nlc19

Step 2: Fill in your entry form and tell us '***How does learning a language make a world of difference to you?***'

Step 3: Include your written answer or caption in the language you are learning as well as an English translation (not required for English learners).

Step 4: Submit your entry

This is a great classroom project for all ages, with younger students entering a drawing and older age groups submitting a written entry. The competition is open until Friday 27 September.

Safe on Social

Age recommendation Guidelines and the law

Is it illegal for kids younger than 13 to have social media accounts?

The short answer is: NO. There is no legal remedy or punishment under Australian law.

However, it may be unwise because of the impact it has on a child's digital footprint and the effect on the mental health of a child by being exposed to things they are not emotionally ready for.

Almost all social media apps have a recommended age attached to them. Most of these hover around the 13+ mark, but some are 17+, some 14+, it varies. Familiarise yourself with these in the terms and conditions of use rather than what the app store says. An age recommendation reflects the minimum age that a potential account holder should be. Content and concepts that appear within the app are therefore not considered suitable for a younger user. These recommendations are the BARE minimum that the developers of the apps can get away with. It's an extraordinarily easy thing to lie on social media sign-up details when providing a DOB.

There are an enormous number of kids well under the age recommendation of 13+ holding accounts on Instagram in Australia. Safe on Social Media regularly see children in Year 2, happily providing their full name, age, additional social media account user names (Snapchat), and too much information in the bio area on Instagram on a public account – supported and sometimes even encouraged by Mum and Dad.

Choosing followers, using privacy settings, and determining what sort of content is appropriate to post is beyond the level of maturity these children possess.

The options are to report to Instagram (or other social media app) that the account holder is underage, and the account will eventually be deleted if the relevant form is filled out correctly.

This is how that can be done for Instagram

https://help.instagram.com/contact/723586364339719?helpref=faq_content

WEBINARS ARE SCHEDULED

OVERVIEW

The course will provide teachers with the ability to make the best decisions when using the major social media apps. It will give current, practical advice that can be used in curriculum and immediately implemented to protect themselves, the school and those in their care.

This course will help to promote the safe, responsible and ethical use of Social Media at school. Participants are encouraged to bring their devices as practical activities peppered throughout the course will give them experience in changing settings and curating notifications and other functions.

Topics covered:

- Social Media best practice for schools and teachers
- Legal Responsibilities
- Duty of Care in relation to Social Media and Smart Phones
- Policies, Guidelines concerning Social Media
- Using Social Media with awareness
- Keeping Personal Information Private
- Curating your online image. (both personal and professional)
- Digital footprints – Awareness and management
- Cyberbullying and online harassment
- Security and Privacy settings
- Popular (and not so well known) Social Media Apps - What they are, how they work, security and privacy tips for safe use, positive ways to use them.

Some of the apps covered are:

Facebook, YouTube, Instagram, Snapchat, Roblox, TikTok, Minecraft, Fortnite and Online Gaming, Tinder, Sarahah, Tumblr, Tellonym, Yubo, Yolo, Vault apps and others.

Safe on Social Media offers ongoing learning support to Teachers and Schools through an annual subscription to our "Cyber Safety Toolkit" which includes guides and cheat sheets with new additions to the toolkit each week. The first year of the Toolkit subscription is free to those that complete the course.

RECYCLE WITH MONDO FOR A BETTER WORLD

School Fundraising and Education Program

Clothing is the second biggest polluting industry in the world!

How to get involved:

Host a Mondo Clothing Hub!

Receive \$0.10 cents per kilogram collected.

In addition, schools have access to free online activities and a classroom incursion* delivered by an SCRgroup educator.

Bonus \$5000!

Go into the draw to be one of our top 5 schools and win a share of \$5000 at the end of the year!

***Ask About...**

***Mondo Classroom Incursions**

Schools seeking a deeper educational insight into clothing reuse and recycling can book our half day Mondo Classroom Incursions, which include e-waste education. Activities align with the National School Curriculum. Fee is \$1995 per school.

100% diverted from landfill!

Receive a FREE** Mondo book!

**First 5 schools that sign up will receive a FREE "Friends of Our World" storybook that can also be purchased at www.friendsfourworld.com

Proudly supporting CERES' delivery of the ResourceSmart Schools Waste Module in 'Activating Your Community'. To find out more, go to: sustainability.ceres.org.au/program/school-wastemodule

OSHClub
Before & After School Care

Proud partners of OSHClub and the Helping Hands Network:

scr.com.au/schools

Recycle With Mondo is a fun, simple and educational fundraising program presented by SCRgroup. This program supports Australian pre-schools, schools and clubs to raise thousands of dollars each year while diverting reusable items from landfill and providing global communities with affordable clothing and employment.

Since 2015, the program has reached over 40,000 students, saved almost 150,000 kilograms from landfill and raised over \$25,000 for participating schools. It's easy to organise, promotes sustainable behaviour for our future generations and raises much needed awareness on our throw-away fast-fashion lifestyle. Students are provided with collection and sustainability reports that demonstrates the positive impact they have on the environment when they reuse and recycle. It also equips students with important skills to make better decisions with their unwanted clothing and household items.

How it works:

1. Book your site assessment to host a Mondo Clothing Hub at your school.
2. Receive your FREE Recycle with Mondo Education Kit including promotional flyers and posters.
3. Distribute your promotional flyers to your school community.
4. Your Mondo Clothing Hub will be serviced as needed.
5. Your school receives \$0.10 cents per kilogram for the items collected.
6. At the end of every term, you'll be emailed a School Ladder, which shows how your school is tracking alongside other schools around Australia. The top 5 performing schools at the end of the year will each receive a **bonus \$1,000** to go towards their fundraising!

What can be collected?

All clean, wearable clothing, shoes, hats, handbags, belts, accessories, toys, towels, sheets, pillowcases and doona covers.

What can't be collected?

Wet, dirty, torn items, doonas, pillows, books, DVDs, CDs and household items.

What happens to the clothes?

Clothing is collected and sorted for reuse and recycling. They are distributed in Australia and globally to maximise their reuse and recycling potential, providing employment, affordable clothing and improving livelihoods in developing countries.

Why reuse and recycle?

- Divert from landfill.
- Natural fibres like wool and cotton will decompose and create methane, a greenhouse gas which causes climate change.
- Saves resources such as cotton and wool as well as oil which is used to make synthetic clothing such as nylon and polyester.

Be a top 5 school and win a bonus \$1,000!

To find out more and to register your school:
