

Uniform Policy

Atlantis Beach Baptist College has established a uniform code which states that all students who attend the College will be required to wear College uniform. This contributes to:

- ◆ the fostering and enhancement of the public image of the College
- ◆ improving morale, team spirit and pride in the College
- ◆ ensuring that students are safely dressed for College activities
- ◆ encouraging equity among students, reducing rivalry
- ◆ identifying non-college children on-campus

We seek to encourage a high standard of personal cleanliness and hygiene, and neat appearance at all times. All children are required to wear the college uniform in a manner which is a credit to the student and the College.

Students should always wear their college uniform with pride. The uniform is a reflection on the college and as such, should be maintained in a clean and well-kept condition. Any worn or damaged items should be repaired or replaced without delay. Identification tags or markings should not be visible when the uniform is worn. If students misbehave whilst in their uniform or wear their uniform in an unkempt manner, this reflects badly on the college which in turn affects all students and staff who attend Atlantis Beach Baptist College. For this reason, the Atlantis Beach Baptist College discipline and uniform policies apply to students at all times when they are in ABBC Uniform. This includes on the bus, at the shopping centre and on the street.

It is a condition of enrolment at this college that students conform to the uniform requirements. Full uniform must be worn while the student travels to and from the college and during examination times. A student's failure to maintain high standards, both within the college and in the public arena, will result in disciplinary action being taken.

- Summer uniform is worn in Terms 1 and 4
- Winter uniform is worn in Terms 2 and 3

No student is to write on any part of the college uniform: however, all items of clothing are to be clearly and discreetly marked with the student's name. Untidy items of clothing will need to be replaced if required by the college. Breaches of uniform rules can result in infringements, suspension, and possible exclusion from the College.
