Details of Parent(s)/Legal Guardian(s)

Parents please note that when completing this section, the names submitted must be the names of the parents who have legal guardianship of this child. In families where parents are separated or divorced, a parent's new partner cannot be included unless legal documents or other evidence can be provided confirming the new partner's legal guardianship.

Under Section 61C of the Family Law Act, each legal parent of a child has equal right to:

- access to their child during the school day (in accordance with College procedures)
- receive information related to the academic progress of their child and access to school reports
- receive information related to the behaviour, health and wellbeing of their child
- be involved in school activities, parent evenings, and teacher meetings etc.

Please note that the College can only discuss a student, or provide information about a student, to that student's legal parent(s), unless both parents have provided written approval, or there is a court order, giving a new partner this right.

Confirmation of place

To confirm the student's place at the College I agree to pay a non-refundable registration fee of \$50. I understand and agree that the registration fee is not transferable and will not be refunded under any circumstance.

For advanced placement these payments should be made within four weeks of an offer of place. For all other placements this payment should be made prior to the commencement of tuition at the College.

I confirm that I have read, understand and accept the College Fees and Charges document, which is available on the College website.

Enrolment Agreement

I/We, the undersigned, being the applicant for the above named student, request that Atlantis Beach Baptist College Ltd. accept him/her as a student in the year of entry indicated. In consideration of the College's acceptance, we undertake and agree to the following:

1. Under common and statute law, employers have an obligation and duty of care to maintain safe working environments for all staff. I/We understand that behaviours on our part which could constitute bullying towards staff, or which in any way demean staff or affect their right to be treated with dignity, courtesy and respect, may result in the withdrawal of the student's enrolment.
2. I/We agree to communicate with all College staff in a respectful and courteous manner, concentrating on working together to resolve issues raised so that parents and staff can work together cooperatively and with goodwill, for the good of the student.
3. I/We agree to make ourselves familiar with, and keep up to date with, the College's policies, procedures, rules and expectations as communicated in meetings, the Student Organiser, Newsletters, Information Handbooks, College website and other College documents, all of which may be updated periodically. I/we agree to support the student in accepting responsibility for his/her behaviour, appearance and learning and to support the student in complying with College policies and procedures.
4. I/We acknowledge that the College may disclose sensitive information to relevant government departments, for example AISWA Inclusive Education Funding and Nationally Consistent Collection of Data (NCCD).
5. The Principal or his/her delegate has authority to apply whatever disciplinary measures are deemed appropriate in relation to the conduct of the student, both inside and outside of the College precincts, and I/we agree to support the College when such disciplinary measures are applied to the student. Disciplinary measures may include, but are not confined to: after school and lunchtime detentions, withdrawal from classes or College events, community service, suspension from attendance at the College, withdrawals of privileges and the withdrawal of enrolment at the College.
6. I/We agree to act on recommendations from the Principal or his/her delegate with respect to interventions recommended by the College for my/our son/daughter's health, educational program, safety and wellbeing. These interventions may include, but are not confined to: participation in social skills training, resiliency training, counselling, educational and psychological evaluation and participation in recommended programs.

7. Enrolment in any year group is dependent on a satisfactory behaviour report from the student's previous school or from the College, and evidence of academic and social readiness for schooling in the year for which enrolment is sought.
8. Fees for each semester will be paid by the end of the first week of that semester, or one of the arranged payment methods will be in place by that same first week. Please note that each signatory to this Application for Enrolment form is jointly and severally liable for the payment of fees.
9. If the applicant does not commence studies at ABBC, or if the student leaves the College after commencing, I/we will give you written notice:
 - (a) by no later than the first day of the Term at the end of which it is intended he/she should leave, or
 - (b) (if it is intended that he/she should leave during a term) not later than the first day of the preceding Term.
10. If I/we fail to comply with the requirements of Point 9 I/we agree to pay ten weeks' fees.
11. In the event of the student being asked to leave the College, I/we agree that fees already paid should not be refunded and that any outstanding fees, plus ten week's fees, will be paid.
12. In the event of any medical or other emergency arising in which the Principal considers it impossible or impracticable to communicate with the Parent or Legal Guardian of the student, the Principal or his/her delegate is authorised to act as he/she may think necessary or expedient.
13. I/We agree to participate in the Parent Participation Program (PPP) outlined in the College Fees and Charges document.
14. I/We understand that the College has limited Personal Accident and Insurance cover for all current students, and that as the policy is renewed annually, details of the current policy can be obtained from the Office Manager at the commencement of each school year. The onus is on Parents/Legal Guardians to check their health and general insurance policies to ensure adequate cover is in place.
15. While the College accepts this enrolment in good faith and undertakes to do all it can to ensure the placement of the student in the College, the College will not be held liable if, for any reason, it cannot fulfil that obligation. Notice will be provided as soon as is practically possible once determined and a full refund of the Enrolment Fee shall be given.
16. In this Agreement, the expression 'Principal' includes any Acting or Relieving Principal or other Senior Teacher for the time being carrying out the duties of, or exercising the authority of, the Principal.
17. I/We acknowledge that I/we have read and hereby accept the Standard Collection Notice (page 8).
18. I/We have read and hereby accept the College Privacy Policy that is available on the College website.

I/We have completed this Application for Enrolment form fully and to the best of my/our knowledge. Further, I/we acknowledge and accept that if it can be demonstrated that I/we have not disclosed information relevant to the application/enrolment process, especially in relation to this student's individual learning needs, medical conditions, health care requirements and/or Parenting Orders, then the enrolment may be refused or terminated on this ground.

Standard Collection Notice A requirement of the Privacy Act

1. The College collects personal information, including sensitive information about students and parents or Legal Guardians before and during the course of a student's enrolment at the College. The primary purpose of collecting this information is to enable the College to provide schooling for your son/daughter.
2. Some of the information we collect is to satisfy the College's legal obligations, particularly to enable the College to discharge its duty of care.
3. Certain laws governing or relating to the operation of schools require that certain information is collected. These include Public Health and Child Protection laws.
4. Health information about students is sensitive information within the terms of the Australian Privacy Principles under the Privacy Act. We ask you to provide medical reports about students from time to time.
5. From time to time, the College discloses personal and sensitive information to others for administrative and educational purposes. This includes to staff, government departments, new schools, medical practitioners, and people providing services to the College, including specialist visiting teachers, sports coaches and volunteers.
6. Occasionally the College may need to seek a copy of an enrolling student's educational record and other personal information from their previous school. Please note that failure to agree to this routine action may prevent us accepting the enrolment of your child.
7. On occasions, information such as academic and sporting achievements, student activities and other news, including photos, is published in College newsletters, magazines and videos and on the College website. In the case of online digital media, parent permission will be obtained prior to publishing a photo of the student where such publication may include information that enables identification of the student.
8. Parents or Legal Guardians may seek access to personal information collected about them and their son/daughter by contacting the College. Students may also seek access to personal information about themselves; however, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the College's duty of care to any student, parent or staff member, or where the record contains information that has been provided in confidence.
9. If you provide the College with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the College and why, that they can access that information if they wish and that the College does not usually disclose the information to third parties.
10. This Standard Collection Notice should be read in conjunction with the College's Privacy Policy which is available on the College website.
