Office Manager

MESSAGE FROM THE PRINCIPAL

Dear Students, Families and Friends of the College

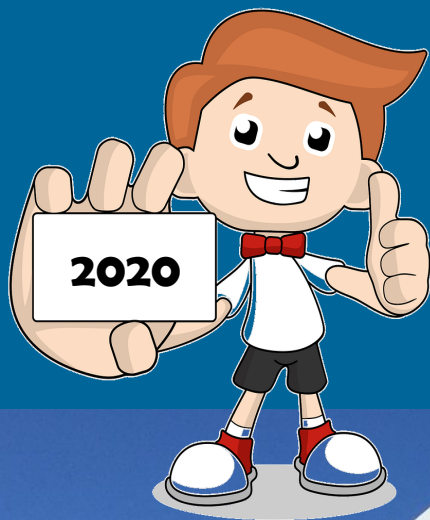

Our students have settled in well, the paint has dried on the walls of the five new demountables and the teachers have shifted the proverbial academic gear in all areas. I trust you have received the student interim reports and as a team, we endeavour to address any concerns in a timely manner.

With the interim reports fresh off the press, I would like to share a message that lies heavily on my heart; we as teachers and parents urgently need to start teaching *repair*.

It is urgent that our children learn and respect that not everything slightly tarnished or imperfect needs to be replaced or thrown out. We have fallen victim to a culture where it is too easy to replace or dismiss anything that does not immediately go our way. Often a quick fix or a one-minute makeover is the most effort we will apply to situations or relationships that go wrong. We as the mentors have fallen prey to modelling this problem solving technique to our children. It is imperative that we actively teach our children that pain, relationships, problems and failure can be repaired, if we are willing to do the hard yards and walk the extra mile. There is much wisdom lost and forgotten in the old ways of repairing an object before we merely toss it aside. Repair takes hard work and much intricate problem solving. We need to earnestly start teaching and modelling by example how to repair relationships, attitudes, our family life and work ethic, to name but a few. Repair is healing and growing, not replacing or dismissing.

As a community, we need to show our children that we are working hard at repairing all that is wrong in our lives. Reach out for help and strive to be better and completely whole again. Our children must witness our honest efforts to repair and replenish all that is valuable. We all fall short in some way or another and are in need of repair.

Lisa Potgieter
College Principal

MEET THE PRIMARY COLLEGE STUDENT COUNCIL

Korbyn Yarran, Emma Linthorne, Makayla Benoiton, Finley Corrigan, Faith Joe and Jessica Daley

A busy start in Kindy

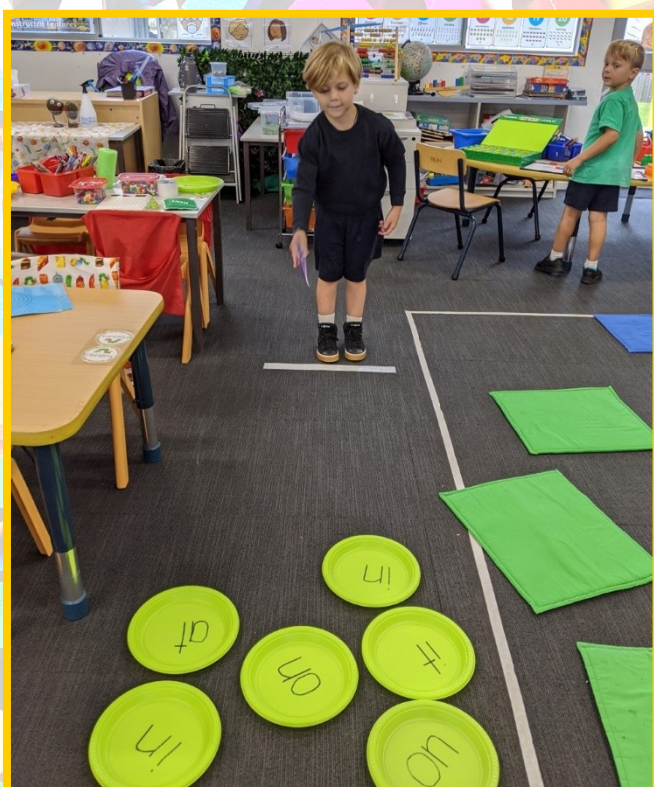

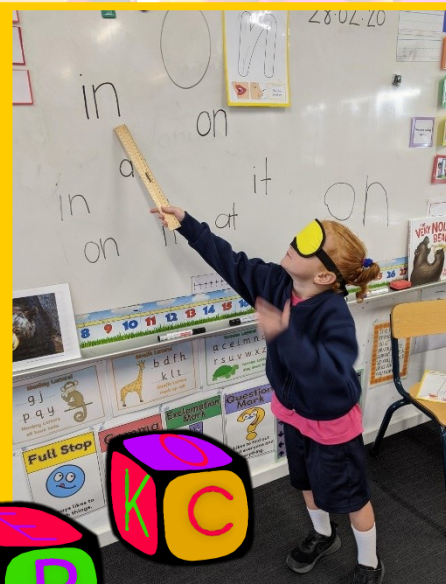

Every week has brought a new learning experience with lots of new routines to learn. We have been developing our number knowledge and extending and developing our fine and gross motor skills to get our little hands ready for writing! We have a wonderful time painting, drawing and cutting but our favourite activity is still the messy play! That spaghetti was so squishy! We can't wait to see what we are going to learn next!

PRE PRIMARY

Having fun while we learn...

This week in Pre-Primary, we were introduced to our first 4 sight words (in, at, it, on). We had lots of fun using different activities to practice these words. Some activities were sight word stomping, sight word bowling, writing in shaving foam and building sight words with lego!

Learning to make good choices

On the 9th of March the Primary students participated in the RAC Road Safety Incursion.

The workshop consisted of lots of interactive activities and the children have developed their road safety awareness. The Year 1&2 students had lots of fun whilst learning the importance of stop, look, listen and think.

YEAR 1&2

We enjoy eating our crunch and sip!
It is a set time during the school day to eat vegetables and fruit and drink water in the classroom. It gives us a great energy boost and allows us to support our health and help our learning.

Year 4s going with the flow

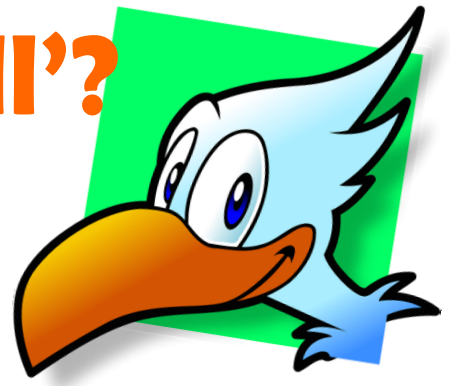

In Geography, Year 4 have been learning how rivers can have a profound effect on our landscape. The students were challenged with creating an ecosystem that is designed to withstand erosion. Students present their finished ecosystem to the class, testing it by pouring a glass of water into the container to see the effect of a 'river' flowing through their ecosystem.

What will fit the 'bill'?

SCIENCE: Structural adaptation

In science the year 5 students have been learning about how different animals and plant species evolve and mutate to survive in their ever changing environment. To explore this further they were given a 'beak' (tongs, tweezers, chop sticks) and had to determine what would be the best type of food for this animals to survive and why. Students were able to investigate, experiment, discuss, observe and record their thinking during this science lesson.

VOLLEYBALL

Year 5s are having a ball!

Room 11 had a special guest in for fitness, John from Joondalup Volleyball at the indoor beach volleyball centre. We learned how to pass to our partner and shoot over the net into a bag. At the end of the lesson we played a game.

By Aiden Parker – Year 5 News Director

READY ... STEADY...GO in the

YEAR 6

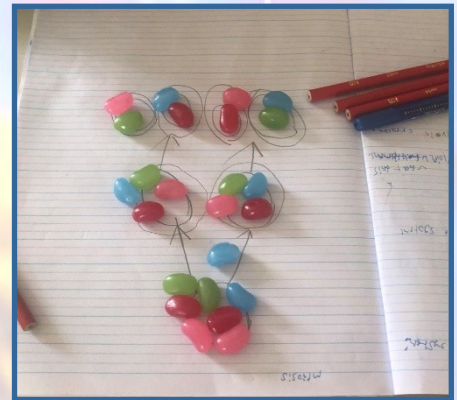

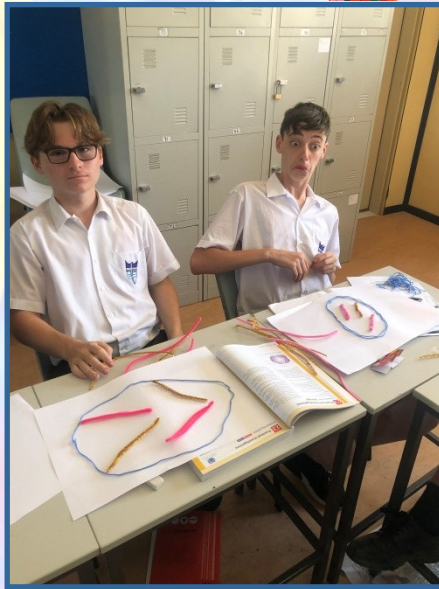

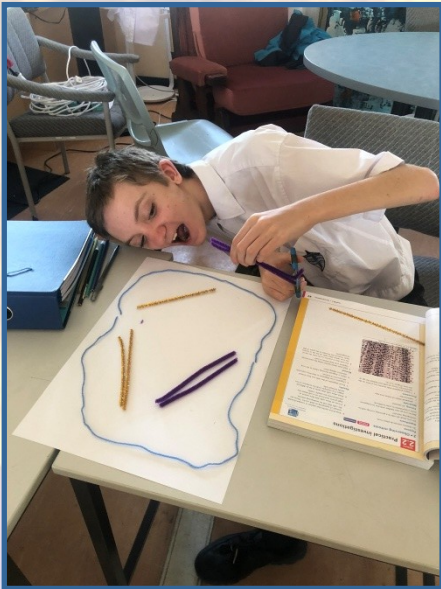

The race to the starting line of the Synergy Solar Challenge continues! The Year 6 students are ready to build their solar car and compete against neighbouring schools at the big event in Week 8. Our students are zooming ahead as they learn more about renewable energy and begin to problem solve other creative solutions to reduce pollution. There were big smiles when they had an opportunity to showcase their skills and practice for the race during the RAC Little Legends incursion.

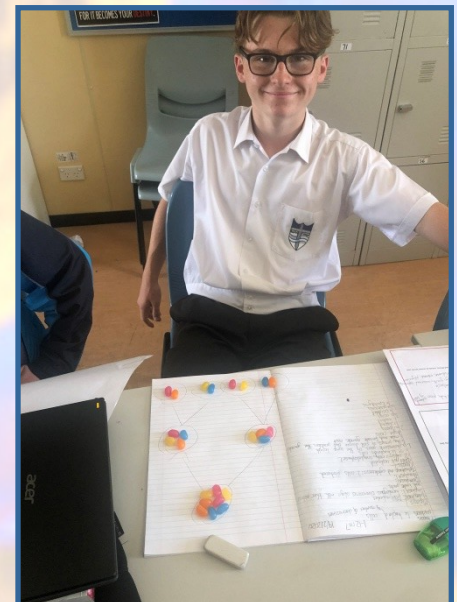

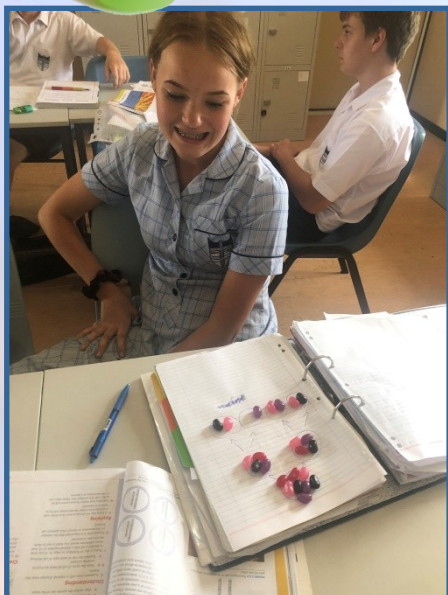

YEAR 10

Science is not a hard 'cell'

Year 10 students model **MITOSIS** with pipe cleaners.

The year 10 students learned about **MEIOSIS** through jelly beans.

Little Green Fingers

Gardening Club Term 1 2020:

During week 4 we made some funky grass heads. Students had the opportunity to create miniature gardens. We now have a miniature Amazon, farm, dinosaur world, fairy land and a beach scene in our ELC. All the students had lots of fun and are looking forward to next week!

BOOK AN APPOINTMENT NOW TO BUY WINTER UNIFORMS IN ADVANCE

Avoid disappointment by booking an appointment with Phil Kriwopischin to buy your child's winter uniform on the 24th of March.

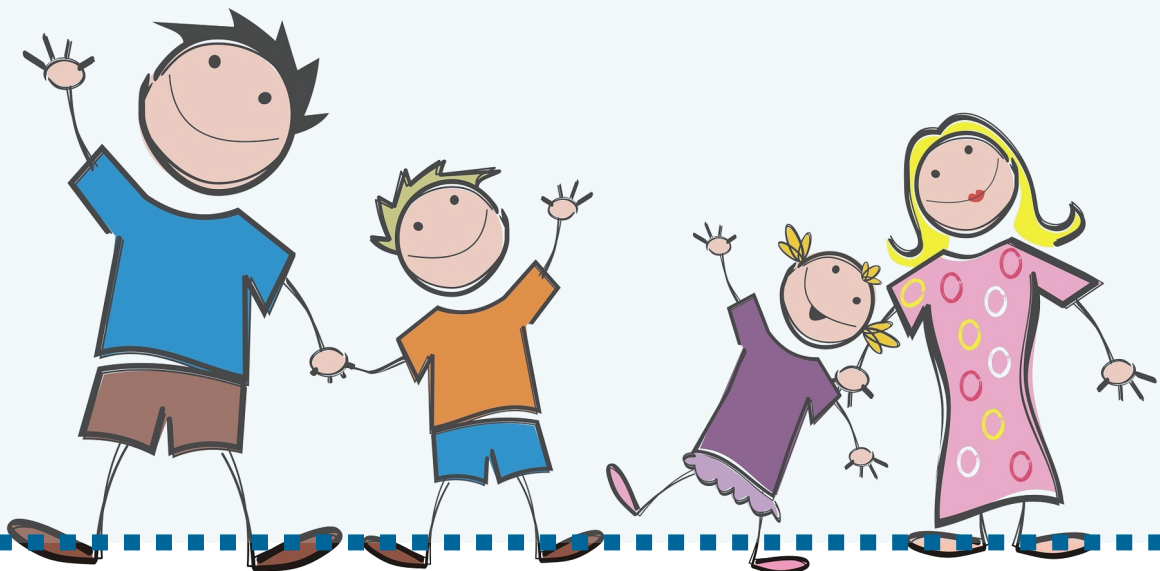

His email is: phillip.kriwopischin@abbc.wa.edu.au

Only parents who have booked an appointment will be served on this day.

SUPPORT THE P&F

- **Tuesday Recess sales**—\$1 for an 'icy pole'
- Join our next meeting on Thursday 19 March at 5pm
- **Harmony Free Dress Day & Sausage Sizzle**— 20 March
- **P&F new email address**—pandf@abbc.wa.edu.au

READY FOR CHOIR PRACTICE

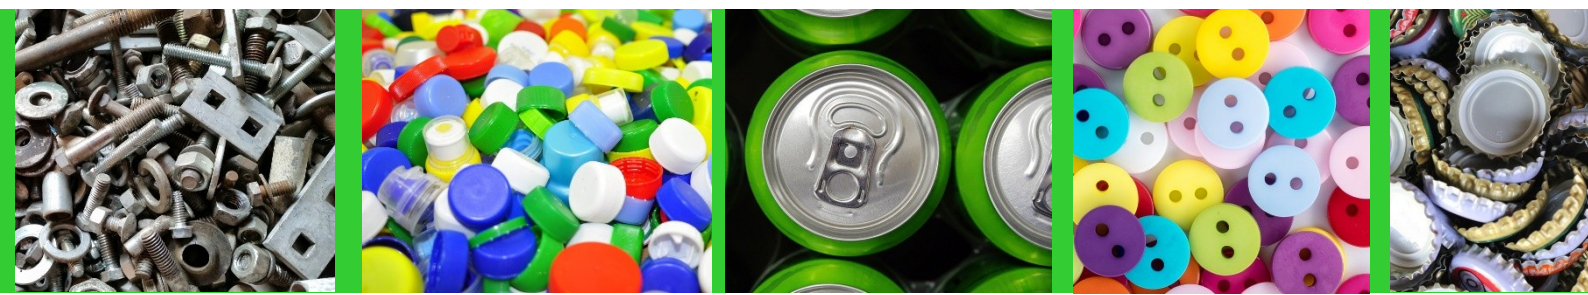

We are proud to announce that a school choir has started and all students have an opportunity to join. We hope to participate in various events and productions. Email the music teacher, Kristie Howard at kristie.howard@abbc.wa.edu.au to enrol your child. The official practice times will be announced soon.

Something out of nothing

We are collecting the following items for the Art class!

Please bring any of the following items and place the allocated bins in the administration office:

- Buttons
- Drink can tabs
- Hello Fresh small plastic containers (like the pesto one!)
- 2L milk or juice bottles (and lids)
- 1L milk or juice cartons – the fresh ones
- **Plastic** caps – Powerade, milk, iced tea, soda bottle tops, UHT carton tops, some jars lids
- Metal bottle tops – preferably without the alcohol name on it
- A selection of old nuts, screws, bolts and small metal items.
- Small cardboard boxes – like pill boxes or smaller.

NOTICE BOARD

12 March—Photo day

19 March—P&F Meeting at 5pm

20 March— HARMONY Free Dress Day with a P&F sausage sizzle
Wear orange, red or yellow and bring a gold coin donation.

2020 ATHLETICS CARNIVALS

Monday 22 June **Year 7 - 10** @ Yanchep Open Space (10:00 - 14:00)

Tuesday 23 June **Kindy/Preprimary** @ ABBC school grounds (13:00 - 15:00)

Wednesday 24 June **Year 1 - 6** @ Phil Renkin Centre Oval (10:00 - 14:00)

UNIFORM NOTICE

Book an appointment for 24th March
to buy your child's winter uniform

Primary swimming lessons

30 March to 9 April

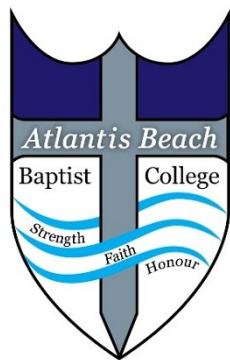

HEALTH NOTICE

Protect others from getting sick

- When coughing or sneezing cover your mouth and nose with flexed elbow or tissue.
- Throw tissues into a closed bin immediately after use.
- Clean hands with soap and water or hand sanitiser regularly.

A SHARE OF
\$25,000
TO BE WON!

The *West Australian* and *The Sunday Times* are giving Western Australian schools the chance to WIN a share of \$25,000 to help buy the resources you need to make learning so much more engaging and fun!

An entry coupon will appear in *The West Australian* and *The Sunday Times* on specified dates. To be in the running to WIN, schools must collect as many entry coupons as possible with help from students, their families and the local community.

CASH POOL CONSISTS OF:

First random draw prize

\$5000

Five random draw prizes

\$1000

School with most entries

\$5000

School with most
entries per student

\$5000

Boost your collection!

To give your school a boost, 7 NEWS is providing a limited number of copies of *The West Australian* and *The Sunday Times* on specified dates. Schools will not be invoiced - order as many sets as you like!

To order, visit www.thewest.com.au/classroomcash or fill out and return the order form below.

**ENTRY COUPON
COLLECTION DATES**

21 March, 2020

Triple P - Positive Parenting Program®

A FREE program that teaches practical and effective ways to enhance family relationships and manage common child behaviour issues.

Who is this program for?

Parents, carers and/or grandparents of a child aged between 3 and 8 years.

What is involved?

- **Seminar Series** – 90-minute talks on:
 - children's behaviour – the tough part of parenting
 - raising confident children
 - raising emotionally resilient children.
- **Discussion Group** – small, 2-hour groups:
 - misbehaving
 - fighting and aggression
 - bedtime routine
 - hassle-free shopping with children.
- **Group Triple P** – 8-week parenting course.

Program details:

1. Group Triple P (7week Program), Craigie Leisure Centre
Tuesday's - 9.30am - 11.30am
18th February - 31st March 2020
2. Seminar Series, Craigie Leisure Centre
Monday's 9.30am - 11.30am
16th, 23rd and 30th March 2020
3. Discussion Group (Dealing With Disobedience), Craigie Leisure Centre
Wednesday 9.30am - 11.30am
25th March 2020

BOOKINGS ARE ESSENTIAL

Visit www.healthywa.wa.gov.au/parentgroups

Please note:

Unless there is a crèche advertised, only babies under the age of 6 months can attend this group. However, we welcome babies who need breastfeeding during the session.

DO NOT bring hot food and drinks for safety reasons.

Visit www.healthywa.wa.gov.au/parentgroups for more information.
