Secondary Coordinator

Lia Roodt

Primary Coordinator

Nicola Moores

Office Manager

MESSAGE FROM THE PRINCIPAL

Dear Students, Families and Friends of the College

During this year we have faced many obstacles already. However, I want to reassure you that there is a great reward when we accomplish our goals and succeed despite the challenges. This reminds me of an inspirational story of a king and a peasant.

In ancient times, a king had a boulder placed on a roadway. He then hid himself and watched to see if anyone would move the boulder out of the way. Some of the king's wealthiest merchants and courtiers came by and simply walked around it. Many people loudly blamed the king for not keeping the roads clear, but none of them did anything about getting the stone out of the way.

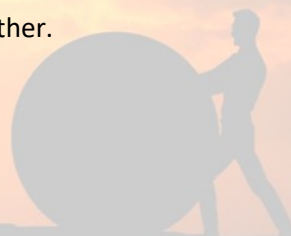

A peasant then came along carrying a load of vegetables. Upon approaching the boulder, the peasant laid down his burden and tried to push the stone out of the road. After much pushing and straining, he finally succeeded. After the peasant went back to pick up his vegetables, he noticed a purse lying in the road where the boulder had been. The purse contained many gold coins and a note from the king explaining that the gold was for the person who removed the boulder from the path.

Every obstacle we come across in life gives us an opportunity to improve our circumstances, and whilst the lazy complain, the others are creating opportunities through their kind hearts, generosity, and willingness to get things done.

<https://wealthygorilla.com/10-most-inspirational-short-stories/>

We look forward to a full and demanding term with incursions, sports carnivals, a graduation event and an award ceremony at the end of the year. With COVID restrictions still in place and the construction of the new resource centre underway, we will undoubtedly deal with a few challenges. However, if we approach this term with enthusiasm, determination and a positive attitude we will be able to enjoy the reward together.

Lisa Potgieter
College Principal

Let's move it...move it!

KINDY KIDDO

LIFE EDUCATION

LET'S ZUMBA

ELC

SAFETY RULES!

The Life Education incursion provided plenty of opportunities for the Year 1 and 2 students to learn about safety rules. They enjoyed learning how to keep safe in an emergency situation by taking part in lots of fun and hands-on activities.

The SES keeps us SAFE!

The PP, Year 1 and 2 students listened carefully to Mr Faulkner as he talked about the fantastic voluntary work carried out by the Wanneroo and Joondalup State Emergency Service Unit.

Learning amazing Origami skills in Japanese!

A BUSY TERM 4 IN YEAR 3

A big congratulations to both Sienna and Indigo for reaching their milestone of 100 nights of reading!

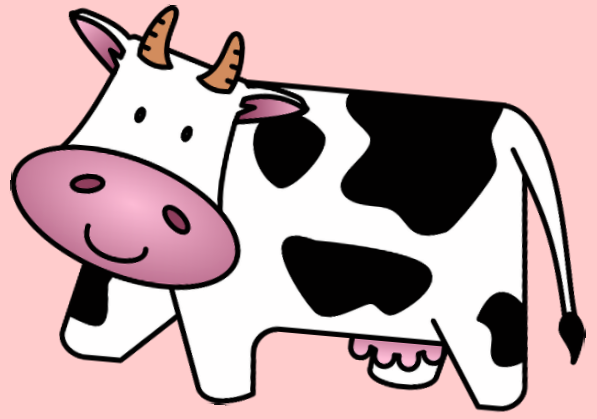

The year 3 students were visited by their old friend Harold the Giraffe during their Life Education incursion. Students learnt about the importance of cyber safety and key skills on how to be safe online. They have since made some amazing posters to share all their cyber safety knowledge with you.

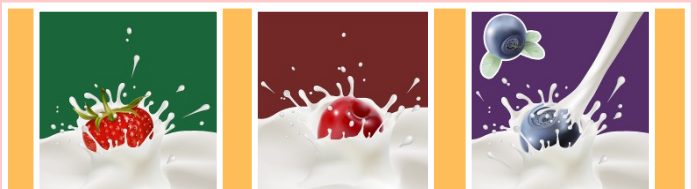

Mr Faulkner, a local SES volunteer and friend of the college shared some very insightful information about the role of the SES in the community, how to keep ourselves and others safe in an emergency situation and of course showed us around the SES truck!

A cut above!

Year 4/5 finished their Procedural Text Unit with a rather tasty treat! Students followed a sequenced set of instructions to create a flavoured yoghurt dessert, which they later enjoyed eating outside.

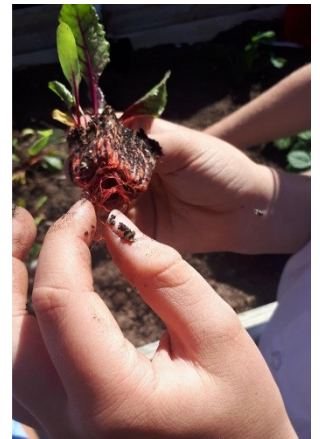

Growing more than friendships

A fun start to term 4 in room 11—Students attended an incursion which supported them to reflect on connection, respect and relationships. They had an interesting time playing games about communication and sharing their ideas on empathy and friendship with the staff from Life Education.

Thanks to Bunnings Mindarie's generous donations of garden supplies! Students began establishing a native bush tucker garden which they planned during our learning last term. Students were supported in the process of planting their seedlings. Be sure to come and take a look and share any gardening advice you may have!

GO GREEN!

The year 7s have installed and set up a brand new compost bin which is ready to go! Organic waste can be added. However, no mushrooms, dairy products, wheat products or meat can be added as these will attract rodents and vermin. Fruit and veggie scraps and tea bags are more than welcome. There will be a compost fact sheet near the compost bin to help remind students of what can and can't go in the compost. The year 7 students will be managing the bin and turning it, but any students who are keen composters, can speak to Miss Gregoriadis and she will put them on the roster.

On the way to success

THE WORLD IS YOUR OYSTER

All the year 7 to 10 students visited the Perth Exhibition Centre for a Skills West exhibition. It focused on different career and study pathways where students could investigate possible career opportunities for their future. It is WA's largest Careers & Employment event, held for both students and citizens that want to change their careers.

THE SKY IS THE LIMIT!

During the recent Skills West Exhibition students caught a glimpse of the many opportunities that await them.

Endless opportunities, pathways and career options to explore

Considering your future plans and the career option you would like to pursue can be daunting, even overwhelming. You may not be sure what you want to do after you finish school yet. However, you have the time and opportunity to explore various options now. You also have the ability to work hard to realise your potential. With a little self motivation and the support of your teachers you could achieve the goals you set for yourself.

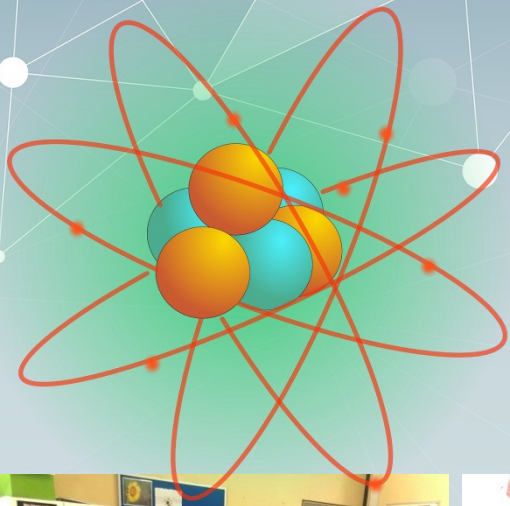

Don't be scared to try, because if you don't try you will never succeed.

Don't be scared to ask. There is a lot we can learn from others along the way.

Don't be scared to fail. Just be sure to learn from your mistakes.

And most importantly - never give up! A quitter never wins and a winner never quits.

Mrs Priddy—Student Counsellor

SCIENCE IS ATOMIC!

The year 9 students made models of atoms.

SEPTEMBER 2020

SPORTS STAR OF THE MONTH

Congratulations to Riley (Year 3)

Congratulations to Emmanuel (Year 9)

ABBC Golf Academy Tees off in Term 4

Atlantis Beach Baptist College is proud to launch our exciting new ABBC Golf Academy in Term 4. This Skill Acquisition program started on 13 October and will run on Tuesday mornings (08:30 - 10:30) until 8 December 2020.

As the weekly golf academy at ABBC continues to grow, we are moving our sessions to Sun City Country Club, Yanchep. These weekly sessions will now be delivered by highly qualified, experienced and well respected golf coaching professionals. The program offers the opportunity for each player to further improve their concentration and attention to achieve a positive 'Growth Mindset' which can help them develop magnificently in golf, school and life.

From November ABBC Golf Academy players will have the opportunity to experience junior competitions every Monday (16:00-18:00) and then compete against each other in our very first ABBC Junior Golf Championships on Tuesday 1 December 2020.

For further details on this free sports provision and registration to our golf academy please contact Mr Menlove. Places are limited. Membership at Sun City Golf Club has been discounted to only \$150 for the year for a 7 day membership. Golf clinics, individual lessons and holiday programs are also available at discounted rates.

EXAMS

[simply testing what you have learned]

1. EXAMS ARE MORE FORMAL THAN TESTS, DO NOT BE TOO SCARED.
2. STUDY QUALITY OVER QUANTITY. STUDY HARD FOR 45 MINUTES RATHER THAN ACTING LIKE YOU ARE STUDYING FOR 2 HOURS.
3. FIND OUT HOW YOU STUDY BEST.
4. ATTEND 'PREPARING FOR EXAMS' ON WEDNESDAYS!

HOW DO I LEARN?

I learn by reading and writing

Write, write and rewrite your words and notes. Reword main ideas and principles to gain a deeper understanding. Organize diagrams, charts, and graphic organizers into statements.

Utilize graphic organizers such as charts, graphs, and diagrams.

- Redraw your pages from memory.
- Replace important words with symbols or initials.
- Highlight important key terms in corresponding colors.

I learn visually

I learn by listening

Record your summarized notes and listen to them on tape. Talk it out. Have a discussion with others to expand upon your understanding of a topic. Reread your notes and/or assignment out loud. Explain your notes to your peers who also learns through talking it out.

I learn by doing and practicing

Use real life examples, applications and case studies in your summary to help with abstract concepts. Redo lab experiments or projects. Utilize pictures and photographs that illustrate your idea.

HOW DO I LEARN?

I like reading books with...

- | | | | |
|------------------------------------|------------------------------|--|-----------------------------------|
| A
Little to no pictures! | B
I need pictures! | C
Could someone else read instead? | D
I don't like reading! |
|------------------------------------|------------------------------|--|-----------------------------------|

I need to move...

- | | | | |
|------------------------------------|-------------------------------|---------------------------|---------------------------|
| A
I am good to be still. | B
I need to fidget. | C
I don't mind. | D
All the time! |
|------------------------------------|-------------------------------|---------------------------|---------------------------|

Tell me what I should do...

- | | | | |
|-----------------------------------|------------------------------------|--------------------------------|--|
| A
I will write it down. | B
Write it on the board. | C
Awesome! I'm good. | D
Tell me and let me do it myself. |
|-----------------------------------|------------------------------------|--------------------------------|--|

Teachers giving examples...

- | | | | |
|-------------------------------------|-----------------------------------|----------------------------|-------------------------------------|
| A
Let me read it as well. | B
Can you say it again? | C
Yes! I get it! | D
Awesome! I want to try! |
|-------------------------------------|-----------------------------------|----------------------------|-------------------------------------|

I like to take notes...

- | | | | |
|-------------------------------------|---|--|--|
| A
Best part of the class! | B
I prefer to draw diagrams or flow charts. | C
I prefer to listen to the teacher. | D
I'd rather do something and learn it that way. |
|-------------------------------------|---|--|--|

My study space has to be...

- | | | | |
|-------------------------|--|---|--|
| A
Very QUIET! | B
Colorful, and I have my study notes on the wall. | C
Interactive, I love conversations and learning with others. | D
Some where can learn with hands-on activities! |
|-------------------------|--|---|--|

**I learn by reading and writing
MOSTLY A**

**I learn visually
MOSTLY B**

**I learn by listening
MOSTLY C**

MOSTLY D**

MAYOR'S CHRISTMAS APPEAL 2020

Each year the City of Wanneroo conducts the Mayor's Christmas Appeal to assist members of our Community who are facing hardship.

In previous years the Appeal has received a remarkable response from the community, with many local schools, community groups, businesses and residents donating generously.

You can help by:

- Registering to receive a donation box to display at your school/business to collect donations of toys and/or non-perishable food items.
- Donating money or gift vouchers to assist in the purchasing of goods.

All donations received will be distributed to those less fortunate within our Community.

Donation Bins will be distributed the week beginning Monday 14 September 2020

Bins will be collected the week beginning Monday 16 November 2020

Toys: Please ensure these are age appropriate.

Non-Perishable Food Items: (Please check that these are not out of date)

Examples of non-perishable food items for you to collect include:

- Christmas puddings/cakes
- Fruit mince pies
- Cakes, cake mixes and biscuits
- Nuts, crackers and chips
- Pasta and sauce
- Tinned foods (sweet and savoury)
- Jams and spreads
- Tea, coffee and sugar
- Cereals
- Rice and noodles
- Chocolates
- Muesli bars

Appeal closes Friday 20 November 2020
