LAPTOP

Brand: Dell, Lenovo or Leader

Specification: 14 – 15.4" Full HD, i5, 4GB, 64GB + 240GB SSD, Windows 10 Professional, 1 Year Onsite Warranty, Webcam, W10P.

\$800 payable at the College Office.

Laptops purchased previously at the College can continue to be used if in full working order.

SUPPORT: ABBC has made a decision to supply laptops this way to streamline the support of the devices. Support of the Student fleet of laptops comes at a significant cost to the College. Therefore the single supply and management and support of the devices is critical to ensure the best student outcomes.

SOFTWARE: The only software supplied with the Laptop is Windows 10 professional. ALL OTHER APPLICATION software is the property of and licensed by the school. In the event that the student departs the College for any reason, failure to remove this software is in breach of the Software Providers EULA's and the owner of the device will become legally liable for the illegal use of software outside of the ABBC Student setting.

DEVICE RESET: In the event that a student leaves the College, as per the "Software Section" above, it is a legal requirement that all College owned software is removed. A fee of \$100.00 INC GST applies to have IT support reset the device to factory default and remove it from the Campus network and software systems.
