MESSAGE FROM THE PRINCIPAL

Dear Parents and Friends of the College Community

It is with excitement and sadness that we wrap up this year. Our teachers are meticulously preparing our secondary students for their examination in December. Primary teachers are completing their curriculum and final class assessments are taking place.

As we look forward to welcoming many new students to the college in 2021, the time has come to also say goodbye to our year 10 students. It is with particular sadness that we say goodbye to our foundation students who have been with us since the start of the college in 2017. We wish these students much success and happiness, and we ask they keep the college updated with all their exciting ventures in the future.

The college activities are winding down and the summer holiday is fast approaching. Families will soon be spending a relaxing time together, however, the college grounds will be a flurry of activity. Four new demountable classrooms and a toilet block will be erected on site to accommodate students until we take occupancy of the newly built resource centre. We have been abundantly blessed, and it is with great excitement that we will be introducing our first double stream classes in Year 6 and Year 7.

2021 promises to be an exciting year as many new members of staff are joining our college. The ABBC Golf Academy is becoming competitive and we are focussing on our health and wellbeing in the FitroFlow Pilates classes hosted at school.

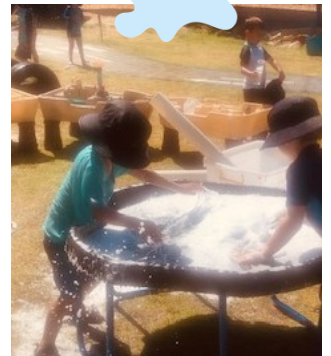

The staff and Board are looking forward to celebrating a COVID-safe Award Ceremony and Graduation with our parents and students. It has been such a strange year to say the least, but we have overcome, and we remain focussed on the Lord, our Saviour.

Wishing you and your family a peaceful Christmas season and a prosperous New Year.

Lisa Potgieter
College Principal

KINDY KIDS PLAY AND LEARN

We have had such a busy time at school! Ursula from 'The Little Mermaid' came to visit us and read a story! She is not as scary as we thought! The best part of our week had to be "Wet Wednesday!" What fun! Wetting our teachers with the water pistols and spray bottles was the best part!

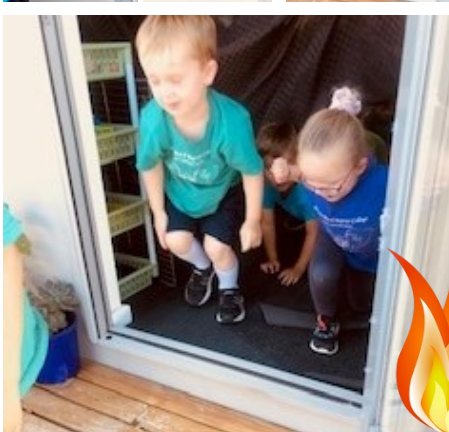

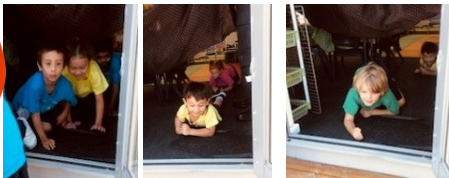

WET WEDNESDAY

BOOKWEEK

We had a visit from the Yanchep Fire Department, where we learnt some important lessons on fire safety. We learnt that in an emergency we call 000. It is also important to evacuate the building.

FACT SHEET – HAND SANITISER

Hand sanitisers have become a common control measure against the risk of transmission of Covid-19. Many hand sanitisers contain high levels of alcohol (60 to 80%), which classifies them as a hazardous substance with potential hazards including fire, explosion, poisoning, and serious eye irritation.

Supervision should be provided when using hand sanitiser.

They need to be stored and kept:

- at temperatures below 25°;
- away from heat sources, sparks and open flames; and
- in a cool well ventilated areas.

If hand sanitiser is swallowed (even small amounts) act quickly and contact the Poisons Information Centre 13 11 26.

For more information, visit [Department of Health – Healthy WA ‘Alcohol-based hand sanitiser – safe use and storage’](#).

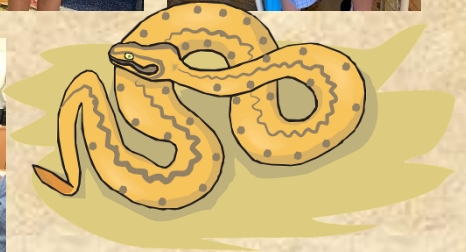

NOTE TO PARENTS: Please inform teachers if your child has an allergic reaction or skin irritation due to the use of hand sanitisers in class. If this is the case you are required to provide the child's own approved hand sanitiser for school use.

A visit from the Snake Whisperer

Students from all year groups had the opportunity to get up close and personal with some of the Snake Whisperer's scaly friends. Many of our students were very brave and asked some great questions during the incursion.

YEAR 1/2

YEAR 4/5

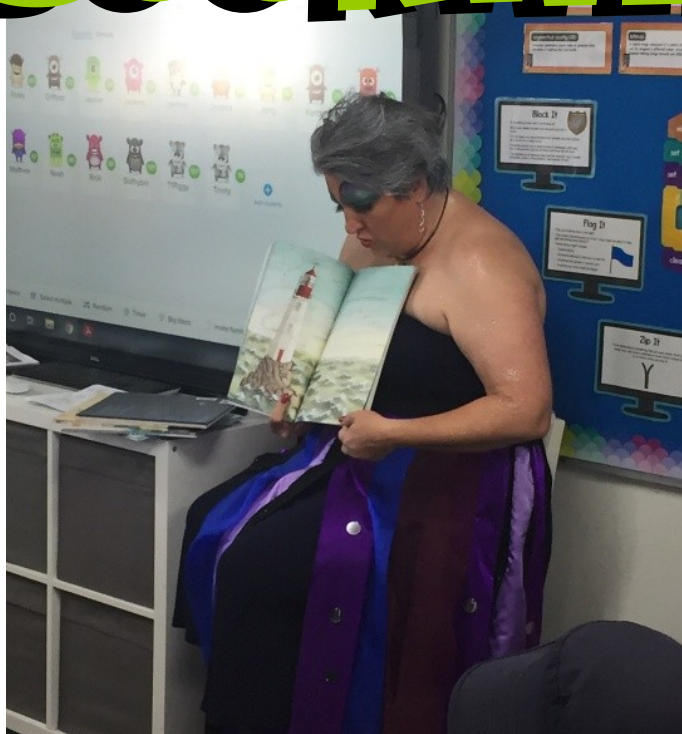

YEAR 5/4

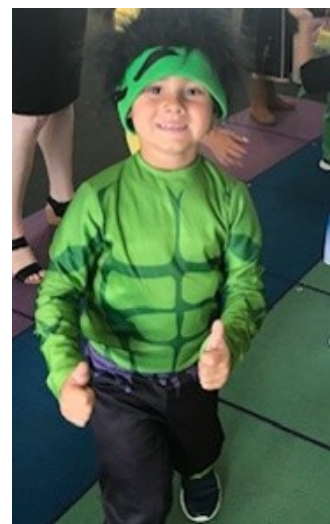

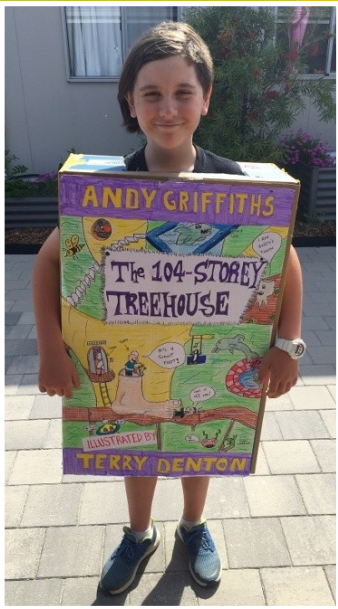

YEAR 5/6

TODAY A READER, TOMORROW A LEADER

Students add colour to the world

Year 5/4 students did a mixed media Monet of a waterlily on a pond, working with chalk, oil pastel and paint in an impressionist style. They also made a collaborative piece using finger painting!

Year 5/6 students have been inspired by Book Week. They designed their own "Lost Thing" from the Shaun Tan book, using recycled junk. The Laurel Burch cats decorated the Room 12 window. Check it out!

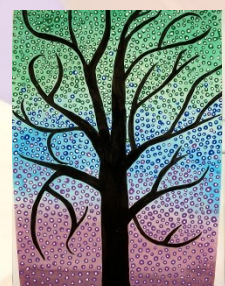

Year 10s have been designing a piece of Australian flora and cutting it out of the linoleum before printing it to see the final result.

The year 8/ 9s created fabulous trees in the style of TR Mack using paints and edicol dye, some of them are on display in the Art Room. They have also studied the portraits of Picasso, Modigliani and Klee to create their own fabulous trio of portraits, which are now on display in the Admin office.

The Year 7 students have also been inspired by Book Week, creating a Storm Cat painting in the style of Vincent Van Gogh, based on the story "The Mouse hole Cat".

Grey

Grey is an aesthetic colour.
 Grey is the colour of the sky,
 On a stormy day.
 Why is the sky grey?
 I wonder every day.
 It can show my reflection
 In the stormy water.
 The colour grey
 Is shown everyday
 In the most seeable ways.
 Grey is sad
 Like the feelings inside of me.

by Jasmine Marshall

Blue

Blue is the ocean
 And the sky.
 It is the depth of the sea.
 Where will I go?
 Blue is the uniform and
 The waves that crash down.
 Blue means sadness
 And the tears that fall.
 It's the blue tang's trap
 And hopelessness.
 Blue reminds me of sadness
 And all that I've felt.

CONSIDERING EVERYONE'S SAFETY

Managing events during COVID-19

Here are some suggestions to consider when taking part in our Award Ceremony on 9 December:

COVID-safe requirements will apply, for example, physical distancing, good health and hygiene.

Hand sanitiser will be available to all participants.

Entry and exit to the venue will be controlled to maintain physical distancing.

In order to minimise communal sharing of resources and equipment, parents are requested to bring their own chairs.

Parents are encouraged to:

- not attend the event if they are unwell;
- follow good hygiene practices such as hand washing with soap and water for at least 20 seconds; and
- avoid sharing common items such as cutlery and crockery.

Physical Distancing

Physical distancing at the event will be monitored:

- 1.5 metre physical distancing of adult participants continues to be a requirement, where possible.
- We encourage registration to ensure capacity to cater for group size.

Please RSVP to admin@abbc.wa.edu.au to register if you and your family will be attending the event.
